30 Hershall Drive MIDDLESBROUGH TS3 8NX		Energy rating C
Valid until 2 December 2035	Certificate number 8214-5055-1102-0102-1396	
Property type	End-terrace house	
Total floor area	81 square metres	

Rules on letting this property

Properties can be let if they have an energy rating from A to E. You can read [guidance for landlords on the regulations and exemptions](#).

Energy rating and score

This property's energy rating is C. It has the potential to be B. [See how to improve this property's energy efficiency](#).

The graph shows this property's current and potential energy rating. Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

- For properties in England and Wales:
- the average energy rating is D
 - the average energy score is 60

Breakdown of property's energy performance

Features in this property

Features get a rating from very good to very poor, based on how energy efficient they are. Ratings are not based on how well features work or their condition. Assumed ratings are based on the property's age and type. They are used for features the assessor could not inspect.

Feature	Description	Rating
Wall	Cavity wall, filled cavity	Good
Roof	Pitched, 200 mm loft insulation	Good
Window	Fully double glazed	Average
Main heating	Boiler and radiators, mains gas	Good
Main heating control	Programmer, room thermostat and TRVs	Good
Hot water	From main system	Good
Lighting	Good lighting efficiency	Good
Floor	Solid, no insulation (assumed)	N/A
Air tightness	(not tested)	N/A
Secondary heating	None	N/A

Primary energy use

The primary energy use for this property per year is 173 kilowatt hours per square metre (kWh/m²).

[About primary energy use](#)

Smart meters

This property had **smart meters for gas and electricity** when it was assessed.

Smart meters help you understand your energy use and how you could save money. They may help you access better energy deals.

[Find out about using your smart meter](#)

How this affects your energy bills

An average household would need to spend **£1,103 per year on heating, hot water and lighting** in this property. These costs usually make up the majority of your energy bills.

You could **save £53 per year** if you complete the suggested steps for improving this property's energy rating.

This is **based on average costs in 2025** when this EPC was created. People living at the property may use different amounts of energy for heating, hot water and lighting.

Heating this property

Estimated energy needed in this property is:

- 8,231 kWh per year for heating
- 2,090 kWh per year for hot water

Impact on the environment

This property's environmental impact rating is C. It has the potential to be C.

Properties get a rating from A (best) to G (worst) on how much carbon dioxide (CO₂) they produce each year.

Carbon emissions

An average household produces	6 tonnes of CO ₂
This property produces	2.5 tonnes of CO ₂
This property's potential production	2.1 tonnes of CO ₂

You could improve this property's CO₂ emissions by making the suggested changes. This will help to protect the environment.

These ratings are based on assumptions about average occupancy and energy use. People living at the property may use different amounts of energy.

Steps you could take to save energy

[Do I need to follow these steps in order?](#)

Step 1: Floor insulation (solid floor)

Typical installation cost	£5,000 - £10,000
Typical yearly saving	£53
Potential rating after completing step 1	72 C

Step 2: Solar photovoltaic panels, 2.5 kWp

Typical installation cost	£8,000 - £10,000
Typical yearly saving	£283
Potential rating after completing steps 1 and 2	82 B

Who to contact about this certificate

Contacting the assessor

If you're unhappy about your property's energy assessment or certificate, you can complain to the assessor who created it.

Assessor's name	John Chapman
Telephone	07825 066 915
Email	john@epc-local.com

Contacting the accreditation scheme

If you're still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.

Accreditation scheme	Quidos Limited
Assessor's ID	QUID207948
Telephone	01225 667 570
Email	info@quidos.co.uk

About this assessment

Assessor's declaration	No related party
Date of assessment	2 December 2025
Date of certificate	3 December 2025
Type of assessment	RdSAP

Other certificates for this property

If you are aware of previous certificates for this property and they are not listed here, please contact us at mhclg.digital-services@communities.gov.uk or call our helpdesk on 020 3829 0748 (Monday to Friday, 9am to 5pm).

Certificate number	0048-1211-5809-1614-0304
Valid until	6 April 2031

Certificate number	8959-6029-7840-4765-7922
Expired on	24 January 2021

Certificate number	9788-5087-6246-7170-0940
Expired on	17 June 2020
